

Preparation of "National Inventory Report." We asked Dr. Alexander I. Nakhutin, Deputy director of the Institute of Global Climate and Ecology of Roshydromet and RAS, to talk about the completion of the recent annual "National Inventory Report" contains Russia's annual GHG emission estimates dating back to 1990. In the recent years, Dr. Alexander I. Nakhutin has been coordinating the preparation of Inventory Reports for Roshydromet. **Read(in Russian)**
